SPIRIT OF 1776

200 YEARS AGO TODAY...

*Good ole' George was first in line,
with wooden teeth and all;*

*And Paul Revere, that midnight man,
complete with famous call.*

*Lets not forget the minute men,
who fought so brave and true,
to defend the honor*

of the red, white, and blue.

*Miss Betsy Ross has quite a part
inside our history books.*

*The making of the U.S. flag's
the task she undertook.*

*Together they worked side by side,
through times both thin and thick.*

*So we'll devote these pages to,
the Spirits of '76'!!*

E.M.

200 Years Later . . .

Happy Birthday U.S.A.!!

Uncle Sam

Would sure be proud,

To see us all today.

We've made it,

Through all these years,

Winning all the way!

We've had hard times,

But we've pulled through,

Just like we've always done.

And that is why,

Throughout all eyes,

We are number one!

Yes, we've done,

A mighty job,

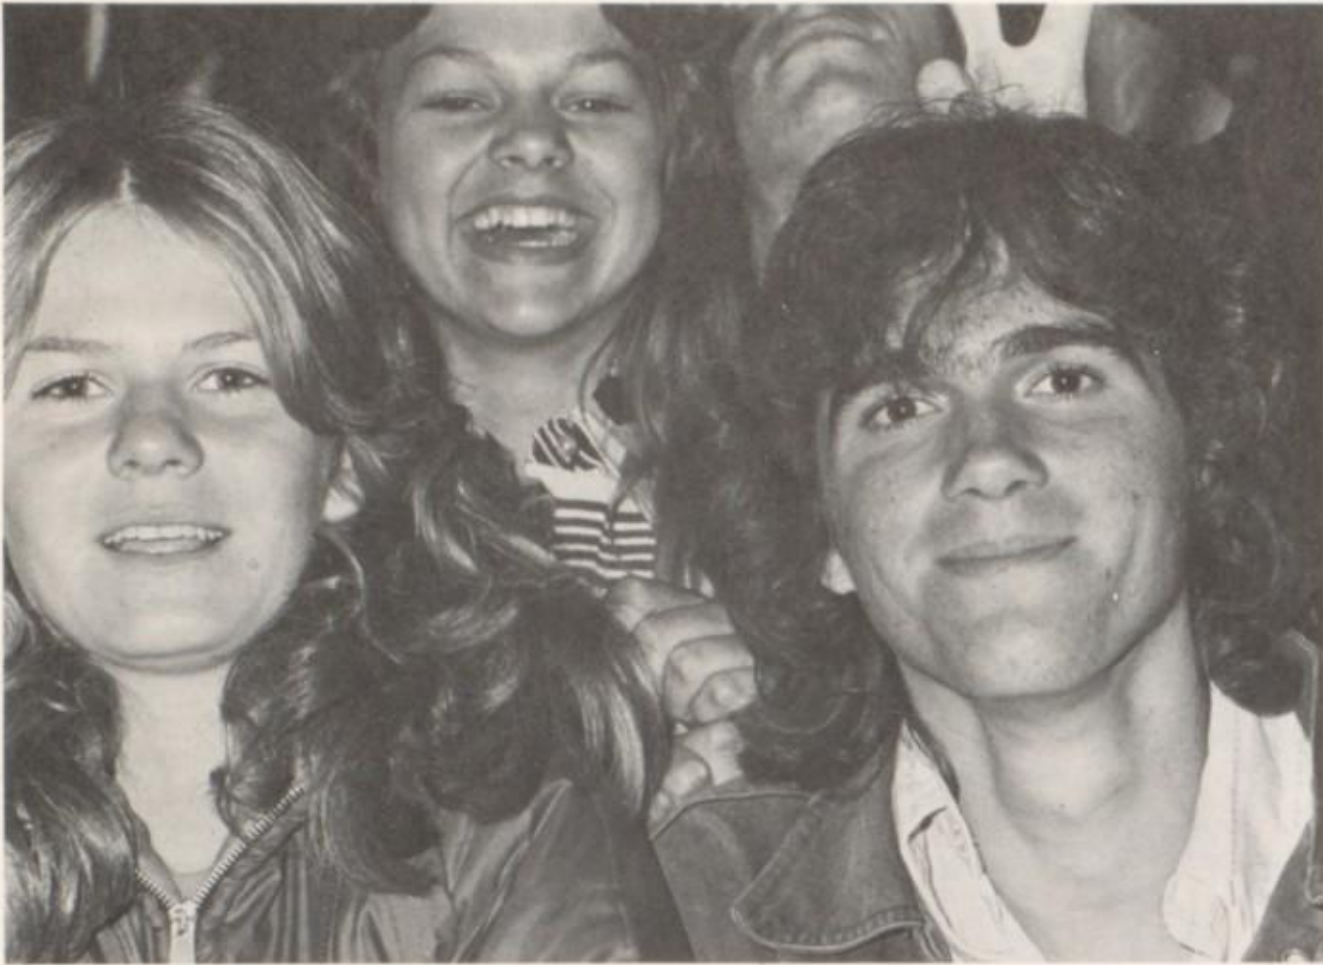

To make our U.S.A.

And for that cause,

July the 4th,

Will sparkle as our day!!!

Good Times at Dublin High

Dislikes: burnouts, jocks and their DULL parties, hearing about a new carborator, being broke, Charley, lectures, learning how to pass a football in S.S., coming home when I'm rowdy. Activities: Jr. Spirit week, Rah-Rah, Modern dance, Foreign Exchange Club, Pet Peeves: L.G. and her phoney mouth!, being woke up, Mondays, a cold toilet seat, all the unfriendly people at Dublin H.S., guys with a one word vocabulary and a one track mind. Will Always Remember: "The Carhopper", Vicki thinking she was dead, the beautiful friendship "the kids" have, mostly what Mary H. remembers most.

VIVIAN RUGGERI Likes: tennis, Elton John, travel, summer, vacation, Cinnccinatti Reds & Johnny Bench, being with friends and sunny days. Dislikes: Monday Mornings, rainy days, homework, onions. Activities: Freshman softball. Pet Peeves: waiting in lines, wavy, frizzy hair. Will Always Remember: my friends in N.Y., G.W. and her "vote for me", P.P. and my first experience on a horse.

IN MEMORY OF

I was going to sit down and write what I felt; what we all felt; when we learned Mark had died.

But somehow I don't think it would have been right. Mark was one of the nicest kids in our class. I don't think he ever said a harsh word to anyone and he did his job, in the classroom and at home. He could always look on the bright side of things (when his visor wasn't in the way) and was a good person to tell a joke to or hear a joke from.

We're going to miss him; alot more than we realize. Perhpas his memory will fade in time; but not too much I hope. We could all learn something from what he was. I wish he were still alive. We all do.

Kohji Itoh. . .Japan

I'm very glad to have spent a year in the U.S. Staying in the U.S. was one of the best experiences in my whole life. Besides, it was my last chance to go to an American high school. I learned lots of things, and I found a lot of differences between America and Japan. I was surprised that I didn't have to study at home. I had homework every day, but not much. In Japan, I have to study for more than four hours each day. I'm a member of Exchange club, and I.R.C. I like singing, so I took concert choir. I'm also a member of Ensemble. If I had a chance to come to the U.S. again, I would be glad to come back here again. I hope that will be in the near future.

I came here in August, and I was really surprised when I saw how the system in school here was. I like having a lot of friends, so I became a member of the French club, the I.R.C. and the Foreign Exchange Club. I will also try to become a member of the Ski club and the Modern Dance club. I took part in Spirit Week, and I had a lot of fun. The Homecoming Night will be a night that I'll never forget. I really enjoyed it. I came here because I like meeting people, seeing the way they think and act, and learning about their customs. I think my year in the U.S. will be the best experience I could ever hope for in my entire life.
